

PROFILE

I am currently actively seeking work after recently graduating from UWIC with a 1st Class Honours. I am an ambitious, strong and capable designer with strengths in concept generation, 2D/3D CAD, presentation skills, engineering and product development. Sustainability and biomimicry are important inspirations for my design style.

A B O U T M E

In my spare time (and when the weather is good!) I like to go surfing and the beach with friends, being a beach lifeguard and qualified surf coach. I also enjoy playing squash and recreational art and design. Designing is a passion that I have always had and wish to pursue a career in design.

I am fully competent with the following mainstream design packages –

- Adobe Creative Suite 3 (Photoshop, Illustrator, In Design)
- Corel X3
- Macromedia Flash MX
- Maxwell Render
- Microsoft Office
- Solid Edge V20
- Poser 7
- Experienced in both PCs and Macs
